I. INTRODUCTION

One of the primary objectives of the PAPU Programme of Activities 2024-2025 is to align the Union's legal instruments by proposing amendments to the PAPU Acts and other legal instruments governing the organization and functioning of its constituent bodies. This is why, during the period under review, the PAPU General Secretariat conducted a considerable review of the PAPU Convention and its Detailed Regulations, which helped to point out existing flaws and inconsistencies so that appropriate amendments could be proposed to eradicate them.

The proposed amendments to the Acts of the Union proposed focus mainly on:

- i) gender mainstreaming in the French version of the Acts,
- ii) rights and obligations of Member States and Associate Members, and
- iii) introducing an alternative method of voting for elected officials (vote by acclamation).

II. OBJECTIVES OF PROPOSED AMENDMENTS

The proposed amendments are aimed specifically at:

- i) Harmonizing the PAPU Convention's provisions with those of its Detailed Regulations by making appropriate proposals;
- ii) Promoting gender equality within the Union in the French version of the Acts;
- iii) Introducing international best practices in voting, namely, voting by acclamation, particularly where there is a single candidate for a position;
- iv) Effective filling vacant seats and/or positions in the organs, while improving the Union's financial standing through proposals aimed at redefining the circumstances for forfeiting the right to hold office in the Union's organs.

III. DECISION EXPECTED

The Policy and Regulation Committee is therefore requested to:

- i) Consider the working document ;
- ii) Make any relevant comments/observations;
- iii) Recommend through the Administrative Council that the draft decision containing the amendments to the PAPU Acts be forwarded to the Plenipotentiary Conference for consideration.

PAPU CONVENTION		
GENDER MAINSTREAMING	In the French version of the PAPU Acts, the masculine gender is used when referring to the “Secretary General” and “Assistant Secretary General” in all related provisions. There is need to incorporate the feminine gender for purposes of gender equality. This amendment shall apply solely to the French version. The English remains unchanged as there is no “gender agreement” in English grammar.	ARTICLE 1 OF PAPU CONVENTION: “Secretary General”: The Secretary General of the Pan African Postal Union; “Assistant Secretary General”: The Assistant Secretary General of the Pan African Postal Union.
ARTICLE 20(3): RIGHTS OF MEMBERS Any Member State whose contributions to the Union are in arrears for two consecutive years shall forfeit the right to:	The term “consecutive” signifies that Member States enjoy their rights as recognized by the Union insofar as they do not accumulate any outstanding contributions in a back-to-back manner. In other words, a Member State may have outstanding payments during a ten-year period and still continue to enjoy its rights, provided it has made sure such arrears are not incurred over consecutive financial years. Conversely, a Member State may have arrears for only two years and forfeit its rights on account of having incurred them during back-to-back financial years. It is therefore only right and proper that this discrepancy be rectified. In this respect, Rule 12(1) of the Detailed Regulations of the Convention requires that Member States with nationals applying for the offices of Secretary General and Assistant Secretary General must have fully met their mandatory financial obligations to the Union, including for the current financial year.</p> <p>Furthermore, Rule 9(1)-f of the PAPU Staff Rules and Regulations states that Member States with nationals applying for non-elective positions with the General Secretariat must not have more than one year in arrears with their mandatory contributions.</p> <p>This creates an inconsistency between the provisions of Rule 20(3)-b of the Convention, Rule 12(1) of the Detailed Regulations and Rule 9(1)-f of the Staff Rules and Regulations.</p> <p>This inconsistency should therefore be rectified in order to harmonize the financial requirements for holding any office in the Union.</p>	<p>ARTICLE 20-3:</p> <p>RIGHTS OF MEMBERS</p> <ol style="list-style-type: none"> 1. All Member States shall enjoy the same rights; 2. Each Member State shall have one vote during meetings of the Union; 3. 	<p>To do this, while making a distinction between posts/seats on the Administrative Council, the Plenipotentiary Conference and those on the General Secretariat, there is need to:</p> <ul style="list-style-type: none"> - Separate the provisions relating to the loss of the right to occupy posts from those relating to the loss of other rights in the event of accumulation of arrears of mandatory contributions; - Maintain the threshold of two (02) years for forfeiting the right to vote, to benefit from the technical assistance of the Union and the right to host meetings of the organs of the Union; - Set the threshold of one year of arrears of mandatory contributions for forfeiting the right to hold any positions within the Union. - Harmonize the requirement to be up to date with compulsory contributions, including for the current financial year, for elective positions and other positions at the PAPU General Secretariat. - Add the term "automatic" to specify that there will be no need to follow a formal procedure for taking a decision on forfeiting these rights. This practice is followed by the UPU (Cf. 150, 1 and 2 of the UPU General Regulations) - Also provide for the automatic lifting of said sanctions 	<p>submit a debt amortization schedule, with payment of the first instalment when signing the said schedule.</p> <p>6.
